Chief's Report: Chief McAntire reported that calls were pretty slow this past month.

Chief McAntire stated that there are a couple pf community projects that are in the works. There are truck sales happening as well as truck purchases happening to better the department.

Be on the lookout for fundraiser information as our fundraiser committee has been working hard to pin down locations, times, as well as dates for events.

A full Chief's report will be attached to these minutes.

The following emails have been set up to allow communication within the department as well as the community.

Department use: dunneganfire@gmail.com

Department Fire Chief: dunneganfirechief@gmail.com

Old Business: No finalized budget yet. Awaiting the finalization.

New Business: There is a truck in Texas that the department will be purchasing. A couple of the firefighters will be driving down there later this month to pick it up. The truck will be a great addition to the department. The fire department that we are purchasing this truck from is also allowing us to pick up a couple extra things that they no longer need out of their storage.

Other Business: None

On motion to adjourn, the meeting was closed with prayer at 7:58pm.
